

# Can Love be Squashed?

©2000 Sy Chen

1

Start from a square with heart color side down. Valley-fold in half every which way.

2

Valley-fold.

3

Turn over.

4

Valley-fold and unfold on the existing diagonal creases. Turn over.

5

Valley-fold in half.

6

Fold down the top layer.

7

Squash.

8

Inside reverse fold.

9

Inside reverse fold.

10

Tuck the flaps into the pockets.

11

Repeat steps 6-10 on the other side.

12

Unfold the back flap downward.

13

Waterbomb base; hide the collapsed middle corners beneath the white rectangles.

14

In progress. The left corner is safely hidden. Hide the right corner.

15

Finished! Ready for SQUASH!!

16

Squash again and again to your heart's content.
